W.P.No.4077 of 1996

DATED: 23.03.2006

Between:

Medapati Bangar Reddy. … petitioner.

And

The Collector, West Godavari.

And another. … respondents.

THE HON'BLE SRI JUSTICE L.NARASIMHA REDDY

W.P.No.4077 of 1996

ORDER:

The petitioner is a resident of Kavitam village, Poduru mandal of West Godavari district. He is an agriculturist owning an extent of Ac.8.70 cents of land by the side of cart track poromboke situated in survey No.328, 329 and 345 of the village. The petitioner states that though the poromboke is meant for public use, the respondents are taking steps to assign the same for house sites to the villagers and he seeks appropriate direction to the respondents not to assign the cart track poromboke.

On behalf of the respondents, a counter is filed. It is stated that the cart track poromboke in survey numbers referred to above is never proposed to be assigned as house sites. It is stated that the Government land in survey No.212, 213, 223, 267, 271 and 271 of neighboring villages was identified for this purpose and the petitioner did not verify the facts correctly.

Heard the learned counsel for the petitioner and the learned Government Pleader for Assignment.

The apprehension of the petitioner was that the respondents are proposing to assign the government land, which is used as cart track. If it were to have been assigned, the petitioner can certainly have grievance about it. The respondents have categorically stated in the counter that the cart track poromboke was not proposed to be assigned and that they would not assign such land.

Taking on record the submissions made in the counter, the writ petition is closed.
